In re: §
ASTRALABS, INC., § Case No. 23-10164-smr
Debtor. § Chapter 7
§

**TRUSTEE’S MOTION TO APPROVE
SETTLEMENT WITH DEBTOR’S FORMER DIRECTORS AND OFFICERS**

This pleading requests relief that may be adverse to your interests.
If no timely response is filed within 21 days from the date of service, the relief requested herein may be granted without a hearing being held.
A timely response is necessary for a hearing to be held.

TO THE HONORABLE SHAD M. ROBINSON, UNITED STATES BANKRUPTCY JUDGE:

Randolph N. Osherow, not individually but in his capacity as the duly appointed chapter 7 trustee (in such capacity, the “Trustee”), for and on behalf of ASTRALABS, Inc., d/b/a “Newchip” (the “Debtor”) and its bankruptcy estate (“Estate”) established under the above-captioned chapter 7 bankruptcy case (the “Bankruptcy Case”), hereby files this *Motion to Approve Settlement With (certain of) the Debtor’s Former Directors and Officers* (this “Motion”), seeking entry of an order in the form attached hereto approving a proposed settlement agreement among the Debtor, by and through the Trustee, and Andrew Ryan (a/k/a Ryan Rafols) (“Ryan”), Jack Cartwright (“Cartwright”), and Nihar Patel (“Patel”, and collectively with Ryan and Cartwright, the “Named D&Os”, and all of the foregoing parties, together, the “Parties”), as reflected in the *Settlement Agreement* (the “Proposed Settlement Agreement”) attached hereto as **Exhibit “1”** and incorporated herein by reference for all purposes. In support of the Motion, the Trustee respectfully would show the Court as follows:

I. JURISDICTION AND VENUE

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157(a) and 1334(b) and the standing Western District of Texas Order of Reference of Bankruptcy Cases and Proceedings. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2) and a matter that arises exclusively under the provisions of the Bankruptcy Code and Federal Rules of Bankruptcy Procedure, as to which the Court accordingly has the power consistent with the United States Constitution to enter a final order. The Trustee expressly consents to such a final disposition by this Court. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

2. The bases for the relief requested herein are sections 105(a) and 363 of title 11 of the United States Code, §§ 101 *et seq.* (as amended, the “Bankruptcy Code”), and rules 6004 and 9019 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

II. BACKGROUND

3. On March 17, 2023 (the “Petition Date”), the Debtor commenced the Bankruptcy Case by filing a voluntary petition for relief under chapter 11, subchapter V, of the Bankruptcy Code, thereby creating the Debtor’s Estate (the “Estate”).

4. On May 12, 2023 (the “Conversion Date”), the Court entered its Order Converting Case to Chapter 7 [Docket No. 89], converting the Bankruptcy Case to chapter 7, discharging the subchapter V trustee, and appointing the Trustee as the trustee to oversee the administration, operation, and management of the Debtor’s Estate and its business.

5. On August 22, 2023, the United States Trustee filed its Report of a Disputed Election of Trustee Pursuant to Federal Rule of Bankruptcy Procedure 2003 [Docket No. 265], and no motion for the resolution of the dispute was filed within 14 days of the report. The Trustee, accordingly, continues to serve as Chapter 7 Trustee.

6. Upon appointment to act as Trustee, the Trustee undertook efforts to identify and transition custody and control over the Estate’s assets, interests, and affairs, including, but not limited to, analyzing the Estate’s portfolio of warrant securities issued to the Debtor by certain former customers (collectively, the “Warrants”), as well as analyzing and pursuing the Estate’s other assets and potential assets.

A. Prior Sale Proceedings

7. On September 6, 2023, the Court entered its Order [Docket No. 296] authorizing the Trustee to retain PEAK Technology Partners, LLC (the “Sale Agent”), to act as the Estate’s agent in connection with its marketing and sale of its assets, including Warrants.

8. On November 20, 2023, the Trustee filed an initial motion to sell a designated set of as many as one hundred fifty-eight (158) Warrants [Docket No. 351] (the “First Sale Motion”), including pursuant to express procedures proposed therein to govern the requested sale process pursuant to sections 363 and 365 of the Bankruptcy Code (“First Sale Motion Procedures”).

9. On December 19, 2023, this Court entered its initial Order [Docket No. 359] (“First Sale Motion Procedures Order”) granting the First Sale Motion, approving the First Sale Motion Procedures and the Notice of First Sale Motion Procedures, and setting a final hearing on April 18, 2024. Following the Court’s conducting of same, on April 19, 2024 the Court entered its *Order Granting Trustee’s Motion for Authority to Sell Designated Securities Warrants, Free and Clear of All Liens, Claims, and Encumbrances and Providing Relief Pursuant to 11 U.S.C. § 363(b), (f), and (m)* [Docket No. 412], thereby finally approving the sales proposed through the First Sale Motion.

10. On April 3, 2024, the Trustee filed a second sale motion [Docket No. 398] (the “Second Sale Motion”), identifying for proposed sale an additional 1315 Warrants held by the

Estate, as well as all of the Estate's equity interests comprised of 2,167,610 shares of Class A common stock in that certain company known as KingsCrowd LLC ("KingsCrowd Stock") (collectively, the "Sale Assets").

11. On May 1, 2024, this Court held an initial hearing to consider the Second Sale Motion, pursuant to which the Court entered its Order [Docket No. 423] ("Sale Procedures Order") that, *inter alia*: (i) approved the proposed sale procedures to govern the marketing and sale of the Sale Assets (the "Second Sale Procedures"), including but not limited to procedures governing the assumption and assignment of the Sale Assets to the Purchaser to the extent they constitute executory contracts within the meaning of section 365 of the Bankruptcy Code; and (ii) scheduled a final hearing to consider final approval of the sale to the proposed purchaser(s).

12. On May 6, 2024, the Trustee served the Court approved *Notice of Entry of Order (I) Approving Notice, Sale, and Executory Contract Procedures for Sale of Designated Securities and Warrants, Free and Clear of All Liens, Claims, and Encumbrances; and (II) Scheduling Final Sale Hearing*, including the Second Sale Procedures, on all parties entitled to or requesting notice in the Bankruptcy Case, as well as on known interested bidders. *See* Docket No. 423.

13. The Sale Procedures Order also set an initial deadline to assert any and all objections to the sale, including objections to the assumption and/or assignment of Warrants as executory contracts (but not including objections based on the identity of the proposed purchaser(s), the performance or compensation of the Sale Agent, administration of the Second Sale Procedures, the adequacy of marketing or proposed purchase price(s)), for June 3, 2024. Sale Procedures Order, p. 4. The Sale procedures Order further set August 16, 2024 as the deadline for filing any remaining objections to the proposed sale (following notice of the proposed purchasers). *Id.*, p. 5.

14. Following the filing of a number of (initial) objections, on June 20, 2024, this Court held a hearing to consider same, and on June 21, 2024, entered its *Second Order Overruling Objections to Trustee's Sale of Designated Securities Warrants, Free and Clear of All Liens, Claims, and Encumbrances* [Docket No. 463]. As provided in the Second Sale Procedures, that Order also contemplated the proposed resolution of additional, Warrant “redemption sales” among the Trustee and Estate with certain Warrant issuers (*see also Trustee's Notice of Warrant Redemptions* [Docket No. 464]; *Trustee's Notice of Amended Sale Assets* [Docket No. 471]), and through the foregoing Order and corresponding proceedings, the list of Sale Assets was ultimately reduced to 1262 Warrants. *Trustee's Witness and Exhibit List for August 29, 2024 Hearing* [Docket No. 506], Exhs. 4 and 5; *Exhibit Index and Witness List for Hearing Held on August 29, 2024* [Docket No. 510], Trustee's Exhibits 4 and 5.

15. On June 18, 2024, the Trustee filed his *Motion to Compel Financial Disclosures of Certain Warrant Issuers and Extension of the Warrant Period for 10 Year for Failure to Comply* [Docket No. 455], seeking to compel nine hundred forty-eight (948) issuers of Warrants (“Noncompliant Issuers”) included as Sale Assets to provide the financial disclosures requested in the Second Sale Procedures. Following a hearing on June 28, 2024, the Court entered its Order granting the Motion to Compel [Docket No. 468] (“Order Compelling Disclosures”), and requiring the Noncompliant Issuers to provide their requisite financial disclosures to the Trustee by a date certain. *Order Compelling Disclosures*, p. 5. That Order further extended each Warrant to a total Warrant Period (as defined in the Warrants) of ten (10) calendar years, commencing from the initial date of the Warrant, in the event that the issuer of the Warrant failed to timely comply with the Court's Order Compelling Disclosures. *Id.*, p. 6.

16. Subsequently, the Trustee filed its Certifications of Remaining Noncompliant

Issuers [Docket Nos. 473, 474, 502].

17. After conducting the final hearing, on August 29, 2024, the Court entered its *Order Granting Trustee's Motion for Authority to Sell Designated Securities Warrants, Free and Clear of All Liens, Claims, and Encumbrances and Providing Relief Pursuant to 11 U.S.C. § 363(b), (f), and (m)* [Docket No. 509] ("Second Final Sale Order"), thereby finally approving the sales proposed through the Second Sale Motion.

18. No additional objections were filed to the Second Sale Motion or proposed sales therein by the August 16, 2024 deadline or otherwise in connection with the August 29, 2024 hearing.

19. Following entry of the Final Sale Order, there remained 1,031 unsold Warrants, as well as all of the Estate's interests in the KingsCrowd Stock, as updated and modified by Trustee's Final Amended List of Sale Assets admitted as Trustee's Exhibit "4" at the August 29th hearing, as well as by the Trustee's Notice filed at Docket No. 471, and the Court's corresponding final sale and redemption sale Orders entered at Docket Nos. 507 and 508 (collectively, the "Unsold Sale 2 Warrants"). A list of the Unsold Sale 2 Warrants is attached to the Proposed Settlement Agreement as **Exhibit "A"** and incorporated herein by reference for all purposes.

20. In summary, following the Trustee's and Sale Agent's complete administration of the Second Sale Procedures approved by this Court as providing a reasonable and fair opportunity for all bona fide interested bidders to compete to acquire the proposed Sale Assets, and designed to maximize the results of sale and the Estate's interests in the Sale Assets, there was no bidder obtained whatsoever for the Unsold Sale 2 Warrants, or even generally any interest expressed by the underlying issuer to seek to redeem same as provided in the Second Sale Procedures. Indeed, as reflected in the Trustee's Notice of Successful and Back Up Bidders, many of the Warrants

ultimately sold to the Court-approved purchasers were sold for relatively miniscule amounts as small as only \$5.

B. Proposed Settlement

21. Throughout, and even prior to, the foregoing efforts to sell the Estate's assets, the Trustee and his professionals also investigated and pursued the Estate's pre-petition causes of action against the Named D&Os, and potentially other claims and causes of action belonging to Debtor's Estate, including but not limited to claims related to alleged pre-petition breaches of fiduciary duty (the "Claims").

22. Among the Estate's pre-petition assets are interests in that certain policy issued by Clear Blue Specialty Insurance Company ("Clear Blue"), providing directors and officer liability and claims-made coverage during the policy period (with a 90-day grace period following cancellation), and with a \$2 million aggregate limit (Policy No. AX01-100-02, the "Policy"). *See, e.g.*, Docket No. 127, ¶ 4, Exh. A.

23. In connection with same, on July 6, 2023 [Docket No. 154], the Trustee filed his application to employ the firm of Reid Collins & Tsai LLP ("RCT") to act as the Trustee's special litigation counsel, and which application was granted by the Court by its Order entered on September 12, 2023 [Docket No. 316]. Pursuant to the Court's Order, RCT is entitled to receive forty percent (40%) of the gross litigation recoveries and reimbursement of actual out of pocket expenses. *Id.*, pp. 2-3.

24. Since that time, RCT has worked closely with the Trustee's general bankruptcy counsel to make demand and tender on the Estate's pre-petition insurance company as well as the Named D&Os, and to pursue and negotiate such claims and causes of action. The Named D&Os deny the Claims, and also alleged that they are, or have been, investigating certain causes of action

against the Trustee (the “Counterclaims”).

25. In order to avoid the costs and risks of litigation, the Parties have determined to resolve all of their disputes related to the Claims and Counterclaims on the terms and subject to the conditions set forth in the Proposed Settlement Agreement and Proposed Order attached hereto (“Approval Order”), and summarized as follows:

- a. within forty-five (45) days following entry of the Court’s Order Approving of the Proposed Settlement Agreement, in full and final settlement of all claims brought or that could have been alleged by the Debtor or the Estate against the Named D&Os, or any of Astralabs’ other current or former directors and officers, Clear Blue on behalf of the Named D&Os, will pay the sum of **one million eight hundred thousand dollars (\$1,800,000)** (the “D&O Settlement Payment”) by check or electronic fund transfer, at Clear Blue’s sole discretion, and subject to Clear Blue receiving (a) a fully executed copy of the Proposed Settlement Agreement, (b) a copy of the Approval Order, (c) a current Internal Revenue Service W-9/Taxpayer Identification Form executed by the Trustee, and (d) wire instructions and mailing directions for any payment by check;
- b. upon the Trustee’s receipt of the D&O Settlement Payment, the Trustee will automatically be deemed to forever relinquish any rights to any remaining proceeds of the Policy;
- c. within seven (7) calendar days following the “Effective Date” of the Proposed Settlement Agreement (the date on which the Court’s Approval Order becomes final and unappealable), Vantage Private Capital LLC shall pay a lump sum payment to the Trustee of **twenty-five thousand dollars (\$25,000)** (the “Warrant Payment”), in exchange for the Trustee’s conveyance to it of all of the Estate’s interests in remaining the Unsold Sale 2 Warrants listed for sale, “as is where is” and free and clear of liens, claims, and encumbrances, pursuant to 11 U.S.C. § 363(f), the *Trustee’s Second Motion for Authority to Sell* [Docket No. 398], and the Court’s corresponding prior Orders entered at Docket Nos. 423, 463, and 468¹;
- d. upon the Effective Date of the Proposed Settlement Agreement, each of the Parties, for itself, its estate, if applicable, and its successors and assigns, and expressly including the Debtor’s Estate (collectively, the “Releasing Parties”), agree to forever release and discharge each of the other Parties to the Proposed Settlement Agreement, their respective affiliates, officers, employees, agents, insurers, including Clear Blue, Embroker Insurance Services LLC, and Sedgwick Claims Management Services, Inc., attorneys and professionals, successors and assigns, each in their capacities as such (collectively, the “Released Parties”), from any and

¹ None of the Named D&Os, other than Ryan, shall have any obligation as to the Warrant Payment. Additionally, Clear Blue shall have no obligation as to the Warrant Payment.

all losses, claims, debts, liabilities, demands, charges, complaints, acts, omissions, costs, expenses, damages, injuries, offsets, billing disputes, objections to compensation, deposits, attorneys' fees, suits, actions and causes of action (including, but not limited to, any and all claims and causes of action under Chapter 5 of the Bankruptcy Code and any state law equivalent), of whatever kind or nature, whether matured or unmatured, at law or in equity, known or unknown, suspected or unsuspected, contingent or fixed, liquidated or unliquidated, which any or all of the Releasing Parties has or had or may claim to have against any and/or all of the Released Parties, based on any act, event, occurrence or accrual from the beginning of time through and including the Settlement Effective Date (collectively, the "Released Claims"); provided, however, that the releases will not in any manner release or discharge the D&O Settlement Payment obligation, nor any Parties from their obligations, covenants and agreements set forth in the Proposed Settlement Agreement.

III. RELIEF REQUESTED AND SUPPORTING AUTHORITIES

26. "A bankruptcy court may approve a compromise settlement . . . when the settlement is fair and equitable and in the best interest of the estate." *Matter of Foster Mortg. Corp.*, 68 F.3d 914, 917 (5th Cir. 1995) (citing *Matter of Jackson Brewing Co.*, 624 F.2d 599, 602 (5th Cir. 1980)); *see also* Fed. R. Bankr. P. 9019(a) ("On motion by the trustee and after notice and a hearing, the court may approve a compromise or settlement."). "To minimize litigation and expedite the administration of a bankruptcy estate, '[c]ompromises are favored in bankruptcy.'" *In re Martin*, 91 F.3d 389, 393 (3d Cir. 1996) (quoting 9 Collier on Bankruptcy ¶ 9019.03[1] (15th ed. 1993)).

27. Among the factors considered in assessing a proposed settlement, courts typically consider: (a) the probability of success in the litigation; (b) the complexity, expense, and likely duration of the litigation; (c) other factors bearing on the wisdom of the compromise; and (d) whether the compromise is fair and equitable to the creditors and other parties-in-interest. *See, e.g., Matter of Beach*, 731 F. App'x 322, 325 (5th Cir. 2018) (citing *In re Age Ref., Inc.*, 801 F.3d 530, 540 (5th Cir. 2015)).

28. To the extent that the Proposed Settlement Agreement also constitutes proposed sale or use of Estate assets other than in the ordinary course of business and subject to section 363

of the Bankruptcy Code, the Trustee may also use his business judgment in determining whether to sell Estate assets outside of the ordinary course of business. *See Institutional Creditors of Cont'l Air Lines Inc. v. Cont'l Air Lines Inc. (In re Cont'l Air Lines Inc.)*, 780 F.2d 1223, 1226 (5th Cir. 1986); *In re JL Building, LLC*, 452 B.R. 854, 859 (Bankr. D. Utah 2011). Such a sale may be approved when: (a) there is a sound business reason for the sale; (b) accurate and reasonable notice is provided to interested parties; (c) the price is fair, reasonable, and adequate; and (d) the sale is made to the purchaser in good faith. *See, e.g., Gluckstadt Holdings, L.L.C. v. VCR I, L.L.C. (In re VCR I, L.L.C.)*, 922 F.3d 323, 326–27 (5th Cir. 2019) (citing *Cadle Co. v. Mims (In re Moore)*, 608 F.3d 253, 263 (5th Cir. 2010)); *In re Stroud Ford, Inc.*, 163 B.R. 730, 732 (Bankr. M.D. Pa. 1993).

29. Here, the Proposed Settlement Agreement, which is the result of arm's length negotiations between the Trustee and the Named D&Os, is fair, equitable, and in the Estate's best interests. The Proposed Settlement Agreement is the result of exhaustive negotiations conducted among multiple parties over the course of more than a year following the Trustee's appointment.

30. Success against and recovery from the Named D&Os would involve attendant time and expense, the Policy proceeds are very limited, and based on the Trustee's investigation, there is no particular reason to expect substantial recoveries individually from any of the Named D&Os.

31. At the same time, the Trustee believes that the terms of the settlement, providing for the Estate to receive \$1,800,000 of the \$2 million Policy limit, plus an additional \$25,000 for unsold warrants previously subjected to an exhaustive Court-approved sale procedure, is very favorable to the Estate under the particular circumstances. As to the additional proposed Warrant Payment and corresponding sale of the Unsold Sale 2 Warrants to the settling parties' designee, the Trustee believes that this proposal also is plainly within the best interests of the Estate and its

creditors. Following exhaustive sale efforts and the administration of the detailed, Court-approved sale procedures exposing all such assets to the market for a reasonable period, the “market has spoken” with respect to the Unsold Sale 2 Warrants and objectively established that they have no bona fide, objective net value to or for the Estate.

32. At the same time, this Court and the Estate have already implemented a substantial framework to implement this proposed term, including but not limited to ample opportunities for Warrant issuers to object to the proposed sale of their Warrants, the Court’s determinations of the severability of Warrants from related customer agreements, as well as resolution of the approved form of asset purchase agreement and other sale order terms as set forth in the Approval Order. The Approval Order incorporates the relevant prior provisions resolved and Ordered by the Court in connection with the Second Sale Motion, including but not limited to provisions reserving the proceeds for the benefit of the U.S. Small Business Administration, as secured party (“SBA”), pending the agreement of the SBA or further order of this Court upon notice to the SBA. *See, e.g.*, Second Final Sale Order, ¶ 5. This settlement term and mechanism, therefore, allows the Estate to liquidate additional unsold warrants for value, while efficiently taking advantage of the comprehensive prior procedures and relief previously implemented and ordered in this case.

33. Rather than expending the Estate’s limited resources on litigating claims and causes of action against the D&Os, the Trustee has determined, in his business judgment that the Proposed Settlement Agreement proceeds constitute a reasonable settlement of the Estate’s claims and causes of action and provides the Estate with a certain recovery now rather than a delayed and uncertain recovery in the future, especially as the Estate is now winding down. Under the Proposed Settlement Agreement, the Estate is projected to receive net recoveries of \$1,080,000, in addition

to the Warrant Payment, following payment to RCT of \$720,000.² Such an outcome is fair, equitable, and in the best interests of the Estate and its creditors.

17. The Trustee submits that the Proposed Settlement Agreement satisfies the requirements for the approval of a compromise under Bankruptcy Rule 9019, as well as the applicable terms of section 363, and should be approved in all respects.

IV. CONCLUSION

WHEREFORE, PREMISES CONSIDERED, the Trustee respectfully requests that the Court enter an order: (i) granting this Motion; (ii) approving the Proposed Settlement Agreement; and (iii) granting the Trustee such other and further relief as the Court may deem just and proper.

WITNESSETH

NOW THEREFORE, in consideration of the foregoing Recitals and the mutual covenants and promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

1. **Incorporation of Recitals.** The Recitals set forth above are incorporated herein for all purposes by this reference.

2. **Effectiveness of the Settlement.** This Agreement is subject to the approval of the Bankruptcy Court, which the Parties agree to use their best efforts to pursue and to cooperate with such pursuit, as appropriate. The "Settlement Effective Date" shall occur immediately on the date upon which an Order entered by the Bankruptcy Court approving this Agreement (the "Approval Order") becomes final and no longer is subject to appeal, or if a timely appeal has been taken, when the appeal has been resolved with the Approval Order intact (or modified in a manner acceptable to the Parties).

3. **The D&O Settlement Payment.** The Named D&Os shall cause to be paid to and for the Trustee, in full and final settlement of all claims brought or that could have been alleged by the Debtor or the Estate against the Named D&Os, or any of ASTRALABS' other current or former directors and officers, through Clear Blue Specialty Insurance Company ("Clear Blue") which issued Embroker Plus Policy No. AX01-100-02 (the "Policy"), the sum of one million eight hundred thousand dollars (\$1,800,000) (the "D&O Settlement Payment") by check or electronic fund transfer, at Clear Blue's sole discretion, within forty-five (45) days following the issuance of the Approval Order, and subject to Clear Blue receiving (a) a fully executed copy of this Agreement, (b) a copy of the Approval Order, (c) a current Internal Revenue Service W-9/Taxpayer Identification Form executed by the Trustee, and (d) wire instructions and mailing directions for any payment by check. 4. **Sale Free and Clear.** In exchange for a lump sum payment to the Trustee in the sum of twenty-five thousand dollars (\$25,000) (the "Warrant Payment"), the Trustee hereby agrees to convey to Vantage Private Capital LLC free and clear of liens, claims, and encumbrances pursuant to 11 U.S.C. § 363(f), all of the Estate's interests in remaining, unsold warrants, and in KingsCrowd LLC, listed for sale in connection with the *Trustee's Second Motion for Authority to Sell* [Docket No. 398] filed April 3, 2024, as updated and modified by Trustee's Final Amended List of Sale Assets admitted as Trustee's Exhibit "4" at the hearing conducted by the Bankruptcy Court on August 29, 2024, as well as by the Trustee's Notice filed at Docket No. 471, and the Bankruptcy Court's Orders entered at Docket Nos. 507 and 508 (collectively, the "Unsold Sale 2 Warrants"). A list of the Unsold Sale 2 Warrants is attached hereto as **Exhibit "A"**.

(a) Such conveyance shall be requested for Bankruptcy Court approval on terms materially identical to those granted to purchasers pursuant to the *Court's Order Granting Trustee's Second Motion to Sell* [Doc#507] entered August 29, 2024.

(b) For the avoidance of doubt, the foregoing conveyance of the Unsold Sale 2

Warrants conveyance shall be requested in the Motion to Approve (defined below) and pursuant and subject to the terms of the Bankruptcy Court's Orders entered at Docket Nos. 423, 463, and Docket 468, "as is, where is" with no representation or warranty from the Trustee or Debtor whatsoever, and free and clear of liens, claims, encumbrances, including related cure amounts or rights of first refusal allegedly exercisable against the Debtor or its Estate, as seller.

None of the Named D&Os, other than Ryan, shall have any obligation as to the Warrant Payment. Additionally, Clear Blue shall have no obligation as to the Warrant Payment.

5. **Motion to Approve Agreement.** Within five (5) business days following the complete execution of this Agreement, the Trustee shall file a motion pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure to approve this Agreement (a "**Motion to Approve**") with the Bankruptcy Court, which will seek an order approving this Agreement reached between the Parties, and, to the extent required, permitting payment of the D&O Settlement Payment from the Policy and permitting Clear Blue to issue payment for "Defense Costs" as defined in the Policy, incurred by the Named D&Os in responding to the Claims.

6. **Mutual Global Releases.** Upon the Settlement Effective Date, each of the Parties, for itself, its estate, if applicable, and its successors and assigns, and expressly including the Debtor's Estate (collectively, the "**Releasing Parties**"), are hereby deemed to have, and will have, forever released and discharged each of the other Parties to this Agreement, their respective affiliates, officers, employees, agents, insurers, including Clear Blue, Embroker Insurance Services LLC, and Sedgwick Claims Management Services, Inc., attorneys and professionals, successors and assigns, each in their capacities as such (collectively, the "**Released Parties**"), from any and all losses, claims, debts, liabilities, demands, charges, complaints, acts, omissions, costs, expenses, damages, injuries, offsets, billing disputes, objections to compensation, deposits, attorneys' fees, suits, actions and causes of action (including, but not limited to, any and all claims and causes of action under Chapter 5 of the Bankruptcy Code and any state law equivalent), of whatever kind or nature, whether matured or unmatured, at law or in equity, known or unknown, suspected or unsuspected, contingent or fixed, liquidated or unliquidated, which any or all of the Releasing Parties has or had or may claim to have against any and/or all of the Released Parties, based on any act, event, occurrence or accrual from the beginning of time through and including the Settlement Effective Date (collectively, the "**Released Claims**"); provided, however, that the releases set forth in this Section 5 will not in any manner release or discharge the D&O Settlement Payment obligation, nor any Parties from their obligations, covenants and agreements set forth in this Agreement. For the avoidance of doubt, no claims against any of the Released Parties will be (a) retained or enforced pursuant to Section 1123(b)(3)(B) of the Bankruptcy Code or (b) assigned or transferred to any trust, successor in interest or third party, under any plan of reorganization.

7. **Confidentiality.** The Parties agree that the terms of this Agreement are confidential and each Party will not directly or indirectly, verbally, in writing, electronically or otherwise, publish, disseminate, disclose or cause to be published, disseminated or disclosed any of the terms of this Agreement or any details, facts, information, or allegations relating to the Claims, other than filing the Agreement on the official Docket of the Bankruptcy Case and

discussing the Agreement at any hearing to consider the Bankruptcy Court's approval of the Agreement, but solely to the extent reasonably necessary and appropriate to seek and obtain such Bankruptcy Court approval. For the avoidance of doubt, if asked, the Parties may say that the Claims were resolved on mutually acceptable terms.

8. **Non-Disparagement.** Each Party agrees not to defame, disparage or demean the other in any manner whatsoever. The Parties shall not, at any time, make statements or representations, or otherwise communicate, directly or indirectly, in writing, orally, or otherwise, or take any action which may, directly or indirectly, disparage the other.

9. **Required Disclosures.** Notwithstanding the foregoing sections 6 and 7 of this Agreement, nothing in this Agreement shall preclude a Party from making truthful statements that are required by applicable law, regulation, or legal process. In the event that the Parties are summoned or subpoenaed to testify in any court proceeding or before any governmental agency where there is a possibility of a disclosure of information that would be impermissible under this Agreement, or in the event that the Parties are required by law to disclose the terms of this Agreement, then such Party shall promptly notify the other in writing, including if reasonably practicable, with sufficient time for the notified party to assert a formal objection or other opposition to such disclosure.

10. **No Assignments; No Admissions.** Each of the Parties represents and warrants to, and agrees with, the other Parties to this Agreement that none of the Released Parties has assigned or otherwise disposed of any of the Released Claims other than by operation of law upon commencement of the Bankruptcy Cases. This Agreement constitutes a compromise of the Parties' disputes. Other than the recitals incorporated herein, nothing contained herein shall constitute or be deemed to be an admission or concession by any Party as to any matter, including, without limitation, with respect to the truth of any fact alleged by any Party against any of the other Parties to this Agreement or the validity of any claim that has been or could be asserted in any litigation involving the Parties. This Agreement, and the negotiation thereof, shall in no way constitute, be construed as, or be evidence of an admission or concession of any violation of any statute or law; of any fault, liability, or wrongdoing; or of any infirmity in the claims or defenses of any of the Parties to this Agreement with regard to any of the complaints, claims, allegations, or defenses asserted or that could have been asserted in connection with the subject matter of this Agreement or the disputes described herein or settled or released hereby.

12. **Entire Agreement.** This Agreement constitutes the entire agreement among the Parties and supersedes any prior understandings, agreements, or representations by or among the Parties, written or oral, relating to the subject matter of this Agreement. Each of the Parties acknowledges that none of the Parties or the attorney for any of the other Parties has made any promise, representation, or warranty whatsoever, express or implied, not contained in this Agreement concerning the subject matter of this Agreement to induce such Party to execute this Agreement and acknowledges that such Party is not executing this Agreement in reliance on any promise, representation or warranty not contained in this Agreement. All pre-execution drafts of this Agreement and all communications among counsel for the Parties regarding this Agreement constitute settlement discussions pursuant to Federal Rule of Evidence 408 and any other applicable rules of similar import.

13. **Amendments and Waiver.** No amendment of this Agreement will be valid unless in writing and signed by each of the Parties. No failure or delay by any Party in exercising any right, power, or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise of any right, power, or privilege hereunder.

14. **Retention of Jurisdiction and Power.** The Bankruptcy Court will retain jurisdiction and judicial power regarding (i) any dispute regarding the payment of the D&O Settlement Payment or Warrant Payment, and (ii) the interpretation and enforcement of the other terms of this Agreement; and the Parties expressly consent to such jurisdiction and venue.

15. **Construction of this Agreement.** The Parties acknowledge that they have been represented by counsel of their own choice, or have had the opportunity to be represented by counsel of their own choice, throughout all negotiations that preceded the execution of, and in all other matters in connection with, this Agreement. The preparation of this Agreement has been a joint effort of the Parties and the resulting document will not, solely as a matter of judicial construction, be construed more severely against one Party as against the other Parties to this Agreement. The headings used herein are inserted for convenience only and will not affect in any way the meaning or interpretation of this Agreement.

16. **Counterparts and Originals.** This Agreement may be executed in any number of counterparts, each of which, when so executed, will be deemed an original, but all such counterparts will constitute but one and the same document. Delivery by a Party of an executed counterpart of a signature page to this Agreement by facsimile or PDF documents sent by email will be effective as delivery of an original executed counterpart.

17. **Successors.** This Agreement will be binding upon, and will inure to the benefit of,

the Parties to this Agreement, their successors and assigns including, but not limited to, successors by merger, consolidation or otherwise.

18. **Governing Law.** This Agreement is to be governed by and construed in accordance with the laws of Texas applicable to contracts made and to be performed in such state, without giving effect to the conflict of laws principles thereof, except as governed by the Bankruptcy Code.

19. **No Effect Upon Other Rights.** Except as otherwise expressly provided in this Agreement, nothing in this Agreement is intended to, or does, adversely affect any rights or duties of the Trustee under the Bankruptcy Code or with respect to the continued administration of the Bankruptcy Case. The failure by any Party at any time or times hereafter to require strict performance by any other Party of any provision of this Agreement will not waive, affect, or diminish any right of such Party to thereafter demand strict compliance therewith.

20. **Severability.** Section 4 of this Agreement, including subparts, is expressly severable from the remainder of this Agreement. In the event that the Bankruptcy Court determines not to approve and authorize the provisions and terms set forth in Section 4, such determination shall not render invalid or unenforceable any remaining terms and provisions of this Agreement.

21. **Authority.** Each person signing this Agreement represents and warrants that he or it has been duly authorized and has the requisite authority to execute and deliver this Agreement on behalf of such Party, to bind such Party to the terms and conditions of this Agreement and to act with respect to the rights and claims that are being altered or otherwise affected by this Agreement, subject only to Bankruptcy Court authorization and approval.

22. **Attorneys' Fees and Costs.** The Parties shall each bear their own attorneys' fees and costs incurred in connection with this matter.

WHEREAS, the Named D&Os and all other current and former directors and officers of the Debtor deny the Claims;

WHEREAS, Ryan is investigating certain causes of action against the Trustee (the “Counterclaims”);

WHEREAS, in order to avoid the costs and risks of litigation, the Parties have determined to resolve all of their disputes related to their Claims and Counterclaims on the terms and subject to the conditions set forth in this Agreement; and

WHEREAS, it is the intention of the Parties hereto to settle and dispose of, fully and completely, any and all claims, demands, and causes of action against each other subject to and in accordance with this Agreement.

WITNESSETH

NOW THEREFORE, in consideration of the foregoing Recitals and the mutual covenants and promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

1. **Incorporation of Recitals.** The Recitals set forth above are incorporated herein for all purposes by this reference.

2. **Effectiveness of the Settlement.** This Agreement is subject to the approval of the Bankruptcy Court, which the Parties agree to use their best efforts to pursue and to cooperate with such pursuit, as appropriate. The "Settlement Effective Date" shall occur immediately on the date upon which an Order entered by the Bankruptcy Court approving this Agreement (the "Approval Order") becomes final and no longer is subject to appeal, or if a timely appeal has been taken, when the appeal has been resolved with the Approval Order intact (or modified in a manner acceptable to the Parties).

3. **The D&O Settlement Payment.** The Named D&Os shall cause to be paid to and for the Trustee, in full and final settlement of all claims brought or that could have been alleged by the Debtor or the Estate against the Named D&Os, or any of ASTRALABS' other current or former directors and officers, through Clear Blue Specialty Insurance Company ("Clear Blue") which issued Embroker Plus Policy No. AX01-100-02 (the "Policy"), the sum of one million eight hundred thousand dollars (\$1,800,000) (the "D&O Settlement Payment") by check or electronic fund transfer, at Clear Blue's sole discretion, within forty-five (45) days following the issuance of the Approval Order, and subject to Clear Blue receiving (a) a fully executed copy of this Agreement, (b) a copy of the Approval Order, (c) a current Internal Revenue Service W-9/Taxpayer Identification Form executed by the Trustee, and (d) wire instructions and mailing directions for any payment by check. Following the Trustee's receipt of the D&O Settlement Payment, he forever relinquishes any rights to any remaining proceeds of the Policy.

4. **Sale Free and Clear.** In exchange for a lump sum payment to the Trustee in the sum of twenty-five thousand dollars (\$25,000) (the "Warrant Payment"), the Trustee hereby agrees to convey to Vantage Private Capital LLC free and clear of liens, claims, and encumbrances pursuant to 11 U.S.C. § 363(f), all of the Estate's interests in remaining, unsold warrants, and in KingsCrowd LLC, listed for sale in connection with the *Trustee's Second Motion for Authority to Sell* [Docket No. 398] filed April 3, 2024, as updated and modified by Trustee's Final Amended List of Sale Assets admitted as Trustee's Exhibit "4" at the hearing conducted by the Bankruptcy Court on August 29, 2024, as well as by the Trustee's Notice filed at Docket No. 471, and the Bankruptcy Court's Orders entered at Docket Nos. 507 and 508 (collectively, the "Unsold Sale 2 Warrants"). A list of the Unsold Sale 2 Warrants is attached hereto as **Exhibit "A"**.

(a) Such conveyance shall be requested for Bankruptcy Court approval on terms materially identical to those granted to purchasers pursuant to the *Court's Order Granting Trustee's Second Motion to Sell* [Doc#507] entered August 29, 2024.

(b) For the avoidance of doubt, the foregoing conveyance of the Unsold Sale 2

Warrants conveyance shall be requested in the Motion to Approve (defined below) and pursuant and subject to the terms of the Bankruptcy Court's Orders entered at Docket Nos. 423, 463, and Docket 468, "as is, where is" with no representation or warranty from the Trustee or Debtor whatsoever, and free and clear of liens, claims, encumbrances, including related cure amounts or rights of first refusal allegedly exercisable against the Debtor or its Estate, as seller.

(c) Vantage Private Capital LLC will pay the Warrant Payment to the Trustee within seven (7) calendar days following the Settlement Effective Date. None of the Named D&Os, other than Ryan, shall have any obligation as to the Warrant Payment. Additionally, Clear Blue shall have no obligation as to the Warrant Payment.

5. **Motion to Approve Agreement.** Within five (5) business days following the complete execution of this Agreement, the Trustee shall file a motion pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure to approve this Agreement (a "**Motion to Approve**") with the Bankruptcy Court, which will seek an order approving this Agreement reached between the Parties, and, to the extent required, permitting payment of the D&O Settlement Payment from the Policy and permitting Clear Blue to issue payment for "Defense Costs" as defined in the Policy, incurred by the Named D&Os in responding to the Claims.

6. **Mutual Global Releases.** Upon the Settlement Effective Date, each of the Parties, for itself, its estate, if applicable, and its successors and assigns, and expressly including the Debtor's Estate (collectively, the "**Releasing Parties**"), are hereby deemed to have, and will have, forever released and discharged each of the other Parties to this Agreement, their respective affiliates, officers, employees, agents, insurers, including Clear Blue, Embroker Insurance Services LLC, and Sedgwick Claims Management Services, Inc., attorneys and professionals, successors and assigns, each in their capacities as such (collectively, the "**Released Parties**"), from any and all losses, claims, debts, liabilities, demands, charges, complaints, acts, omissions, costs, expenses, damages, injuries, offsets, billing disputes, objections to compensation, deposits, attorneys' fees, suits, actions and causes of action (including, but not limited to, any and all claims and causes of action under Chapter 5 of the Bankruptcy Code and any state law equivalent), of whatever kind or nature, whether matured or unmatured, at law or in equity, known or unknown, suspected or unsuspected, contingent or fixed, liquidated or unliquidated, which any or all of the Releasing Parties has or had or may claim to have against any and/or all of the Released Parties, based on any act, event, occurrence or accrual from the beginning of time through and including the Settlement Effective Date (collectively, the "**Released Claims**"); provided, however, that the releases set forth in this Section 5 will not in any manner release or discharge the D&O Settlement Payment obligation, nor any Parties from their obligations, covenants and agreements set forth in this Agreement. For the avoidance of doubt, no claims against any of the Released Parties will be (a) retained or enforced pursuant to Section 1123(b)(3)(B) of the Bankruptcy Code or (b) assigned or transferred to any trust, successor in interest or third party, under any plan of reorganization.

7. **Confidentiality.** The Parties agree that the terms of this Agreement are confidential and each Party will not directly or indirectly, verbally, in writing, electronically or otherwise, publish, disseminate, disclose or cause to be published, disseminated or disclosed any of the terms of this Agreement or any details, facts, information, or allegations relating to the Claims, other than filing the Agreement on the official Docket of the Bankruptcy Case and

discussing the Agreement at any hearing to consider the Bankruptcy Court's approval of the Agreement, but solely to the extent reasonably necessary and appropriate to seek and obtain such Bankruptcy Court approval. For the avoidance of doubt, if asked, the Parties may say that the Claims were resolved on mutually acceptable terms.

8. **Non-Disparagement.** Each Party agrees not to defame, disparage or demean the other in any manner whatsoever. The Parties shall not, at any time, make statements or representations, or otherwise communicate, directly or indirectly, in writing, orally, or otherwise, or take any action which may, directly or indirectly, disparage the other.

9. **Required Disclosures.** Notwithstanding the foregoing sections 6 and 7 of this Agreement, nothing in this Agreement shall preclude a Party from making truthful statements that are required by applicable law, regulation, or legal process. In the event that the Parties are summoned or subpoenaed to testify in any court proceeding or before any governmental agency where there is a possibility of a disclosure of information that would be impermissible under this Agreement, or in the event that the Parties are required by law to disclose the terms of this Agreement, then such Party shall promptly notify the other in writing, including if reasonably practicable, with sufficient time for the notified party to assert a formal objection or other opposition to such disclosure.

10. **No Assignments; No Admissions.** Each of the Parties represents and warrants to, and agrees with, the other Parties to this Agreement that none of the Released Parties has assigned or otherwise disposed of any of the Released Claims other than by operation of law upon commencement of the Bankruptcy Cases. This Agreement constitutes a compromise of the Parties' disputes. Other than the recitals incorporated herein, nothing contained herein shall constitute or be deemed to be an admission or concession by any Party as to any matter, including, without limitation, with respect to the truth of any fact alleged by any Party against any of the other Parties to this Agreement or the validity of any claim that has been or could be asserted in any litigation involving the Parties. This Agreement, and the negotiation thereof, shall in no way constitute, be construed as, or be evidence of an admission or concession of any violation of any statute or law; of any fault, liability, or wrongdoing; or of any infirmity in the claims or defenses of any of the Parties to this Agreement with regard to any of the complaints, claims, allegations, or defenses asserted or that could have been asserted in connection with the subject matter of this Agreement or the disputes described herein or settled or released hereby.

11. **Notices.** Any notice to the Parties to this Agreement must be in writing and must be sent by overnight courier or by electronic mail (so long as duplicate notification is sent via regular U.S. Mail) to the following addresses or to any other address designated by prior written notice:

12. **Entire Agreement.** This Agreement constitutes the entire agreement among the Parties and supersedes any prior understandings, agreements, or representations by or among the Parties, written or oral, relating to the subject matter of this Agreement. Each of the Parties acknowledges that none of the Parties or the attorney for any of the other Parties has made any promise, representation, or warranty whatsoever, express or implied, not contained in this Agreement concerning the subject matter of this Agreement to induce such Party to execute this Agreement and acknowledges that such Party is not executing this Agreement in reliance on any promise, representation or warranty not contained in this Agreement. All pre-execution drafts of this Agreement and all communications among counsel for the Parties regarding this Agreement constitute settlement discussions pursuant to Federal Rule of Evidence 408 and any other applicable rules of similar import.

13. **Amendments and Waiver.** No amendment of this Agreement will be valid unless in writing and signed by each of the Parties. No failure or delay by any Party in exercising any right, power, or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise of any right, power, or privilege hereunder.

14. **Retention of Jurisdiction and Power.** The Bankruptcy Court will retain jurisdiction and judicial power regarding (i) any dispute regarding the payment of the D&O Settlement Payment or Warrant Payment, and (ii) the interpretation and enforcement of the other terms of this Agreement; and the Parties expressly consent to such jurisdiction and venue.

15. **Construction of this Agreement.** The Parties acknowledge that they have been represented by counsel of their own choice, or have had the opportunity to be represented by counsel of their own choice, throughout all negotiations that preceded the execution of, and in all other matters in connection with, this Agreement. The preparation of this Agreement has been a joint effort of the Parties and the resulting document will not, solely as a matter of judicial construction, be construed more severely against one Party as against the other Parties to this Agreement. The headings used herein are inserted for convenience only and will not affect in any way the meaning or interpretation of this Agreement.

16. **Counterparts and Originals.** This Agreement may be executed in any number of counterparts, each of which, when so executed, will be deemed an original, but all such counterparts will constitute but one and the same document. Delivery by a Party of an executed counterpart of a signature page to this Agreement by facsimile or PDF documents sent by email will be effective as delivery of an original executed counterpart.

17. **Successors.** This Agreement will be binding upon, and will inure to the benefit of,

the Parties to this Agreement, their successors and assigns including, but not limited to, successors by merger, consolidation or otherwise.

18. **Governing Law.** This Agreement is to be governed by and construed in accordance with the laws of Texas applicable to contracts made and to be performed in such state, without giving effect to the conflict of laws principles thereof, except as governed by the Bankruptcy Code.

19. **No Effect Upon Other Rights.** Except as otherwise expressly provided in this Agreement, nothing in this Agreement is intended to, or does, adversely affect any rights or duties of the Trustee under the Bankruptcy Code or with respect to the continued administration of the Bankruptcy Case. The failure by any Party at any time or times hereafter to require strict performance by any other Party of any provision of this Agreement will not waive, affect, or diminish any right of such Party to thereafter demand strict compliance therewith.

20. **Severability.** Section 4 of this Agreement, including subparts, is expressly severable from the remainder of this Agreement. In the event that the Bankruptcy Court determines not to approve and authorize the provisions and terms set forth in Section 4, such determination shall not render invalid or unenforceable any remaining terms and provisions of this Agreement.

21. **Authority.** Each person signing this Agreement represents and warrants that he or it has been duly authorized and has the requisite authority to execute and deliver this Agreement on behalf of such Party, to bind such Party to the terms and conditions of this Agreement and to act with respect to the rights and claims that are being altered or otherwise affected by this Agreement, subject only to Bankruptcy Court authorization and approval.
